The VKB Bieliemielie Mountain Bike event is a bike ride in the Eastern Free State. While the area is a beautiful place to ride, I acknowledge that I'm aware that if I focus too much on the beauty I could crash/wipeout/go-arse-over-tit and this could result in serious injury or death. I indemnify the organisers of the VKB Bieliemielie and the land owner/s from any and all claims, notions, suits, procedures, costs, expenses, damages and liabilities, including lawyer's fees arising out of, connected with or resulting from the ride. I undertake to always ride my bike only in accordance with the safety rules and suggestions presented to me. I understand and accept that intense physical and mental exertion may occur during the course of the ride and therefore I further warrant that I have no medical or mental condition or complaints that in any way may endanger myself or other riders during or after participation in the ride. While I know the organisers will take every precaution to ensure my mountain bike will be secure overnight, or during transportation, I will not hold the organisers or land owner/s responsible for any loss and damage to my bike or person arising from any cause whatsoever.
